Reaching Beyond Expectation

Isobel joined ReachNewark 6 months ago. Initially she attended Friday classes but communicated through her parents that she wasn't really benefiting as much as she wanted. Isobel likes to help people and be caring and supportive. The tutor, Gemma, and Chantelle discussed potential options with Isobel and as a result Isobel now works with the tutor supporting individuals in the class. It has raised her self esteem and confidence. She is doing a wonderful job. She also enrolled on our employability course at Flower Pod and will finish that shortly.
